The Race

Connecticut River Conservancy welcomes the return of the 45th annual **NEPC - New England Paddlesports Championship** race! Canoe, kayak, SUP, and surf ski racers from across the Northeast compete for honors on New England's historic Connecticut River between southwest New Hampshire and southeast Vermont. Racers choose to run the **12-mile competitive course** or the **5-mile recreational course**. The course laps the Brattleboro-Hinsdale island by passing under the Rte. 119 bridges, where spectators cheer on competitors. NEPC is part of the [New England Canoe and Kayak Racing Association](#) (NECKRA) Flatwater Point Series.
